

# Brothers

*Written by Russell Leenders (age 9), dedicated to his younger brother,  
Eli Leenders (age 7)*

Eli is my best friend,  
Playing with him will never end.  
We love to play fun things together,  
We will play enjoyable games forever.  
It is fun to play outside,  
And I will always be his guide.  
Our love for each other is very high,  
Both of us will try hard not to lie.  
Neither of us will get very mad,  
Eli's definitely my favourite lad.  
Eli is my best and favourite mate,  
Our love for each other is very great.  
We will always love each other,  
We have lots of care for one another!
